Budget, Booster, HawkFest: Emily, Lisa & Katy

- Budget/Financials
- Ordered playground balls and a ball cart, looking into tether ball for the playground
- Stipends were increased for teachers
- Feedback- overall we heard good feedback, a few things to tweak and work on for next year. We always need more volunteers.
- We made \$22,000 overall, were hoping to make \$18,000
- We planned to spend \$8,500 and at this point we have spent \$9,000
- Made \$12,000 total
- Thoughts for next year- for concessions we plan to have more food trucks and the PTO will just sell water and snacks.
- Ninja Nation, some parents did not like it being on the asphalt so we will revisit that for next year. Overall everyone liked it being placed closer to everything else.

Staff Appreciation: Christina Baude

- Staff appreciation week updates-
- Monday- survival Kits Tuesday-breakfast cart Wednesday-t-shirts
Thursday-Nacho lunch bar, 90's theme Friday-Sunset slush

Planning Ahead: Lisa & Emily

- Board for next year (proposed board attached below)
- Fundraisers for next year
- Emily and Lisa have had discussions with Mrs. Spenner about ways to switch it up a bit to create more open opportunities for others to get involved, a smaller executive board and create more less involved roles to encourage more people to get involved.
- Will still keep the 8-10 executive roles. Also discussed creating PTO support roles, so people can still be involved when their schedule permits.

Voting on PTO for next year, board voted to unanimously approve proposed PTO positions and participants for the 2024-2025 school year at WHES
